19-0457	Natural	H.D.
19-0458	Natural	O-Ring
19-0823	Silver	O-Ring
19-0824	Nickel	O-Ring
19-0829	Gold	O-Ring

530 Standard Diamond is the mainstay of the motorcycle chain. It has been continuously upgraded by raw material selection, improved heat treating methods and innovative manufacturing and production techniques, which have been patented by Diamond, to keep it in step with the demands of today's motorcycles.

manufacturing and production techniques, which have been patented by Diamond, to keep it in step with the demands of today's motorcycles.

530 XDL Self Lube eliminates the possibility of hit and miss lubrication, as it has a constant and consistent lubrication in the pin bushing (wear) area.

Combines the high strength and capacity of Diamond's proven performance with the advantages of fewer adjustment and less maintenance. Added strength is made possible by thicker and redesigned contour inside link plates.
